All of our Essential Glass Splashbacks are covered by our Essential Glass 7 year warranty. Not that we think you'll even need to call upon it.

Our five ranges of splashbacks are the ultimate choice in style and quality. For details please refer to our comprehensive warranty information at essentialglass.com.au/warranty

DISCLAIMER Prices subject to change without notice. Prices may vary from store to store. Glass may vary in colour when compared to in-store samples and brochure colour swatches.

2 CALCULATE AN ESTIMATE

Use the sketchpad and table below to calculate an estimate.

- 1 Draw a sketch of your splashback area. Please mark rangehood and power points as per example below. Be sure to mark measurements in metres.
- 2 To calculate the estimated square metre area (m²) of your splashback, multiply length and width of the wall where the splashback will be installed.
- 3 Use the pricing in the table below to calculate an estimated price of your new splashback. (Please note measurements will be confirmed during your site assessment by your Essential Glass Splashback installer.)

EXAMPLE ONLY

CALCULATE SQUARE METRE AREA (m²)

Splashback length A	=	3m
Wall height to rangehood B	=	0.7m
Total m ² (A x B)	=	2.1m ²

- a) Multiply square metre price by total m² area.
- b) Add items in pricing table to provide an estimate for your new Essential Glass Splashback based on your measurements.

Max glass length is 3000mm. Cutouts must be 50mm from any edge. Minimum height 30mm.

How It Works

It's as simple as 1,2,3! Follow the steps shown to order your splashback. If you need further advice, speak to a Team Member at the Special Orders Desk in-store.

1. Select The Splashback You Want

View the extensive range available in this brochure or online to select the splashback that suits your needs. Visit your local store to choose your colour and material.

2. Arrange a Measure & Quote

Fill out the order form in this brochure to complete an estimate. Take your form to the Special Orders Desk to arrange a Measure & Quote.

3. Book Installation

Once your Measure & Quote is complete, return to the Special Orders Desk to pay for your new splashback. The supplier will then call you to arrange your installation.
